

Greetings from The Registry. Below you will see the highlights of what is happening in 2011.

Updated Website – www.the-registry.org

Our website now has more information than ever before. You will find it easy to navigate and many new features have been added that include information on the following:

- ★ Registry Learning Record – review and update your own record with The Registry
- ★ Professional Development Approval System (PDAS) – learn how tiered training works and why it’s important as well as how to become an approved trainer
- ★ Registry Credentials
- ★ Evaluation – provide feedback on your experience with the Registry
- ★ Career Level chart
- ★ Online credit card payment – you can now pay for your Registry service directly from the website
- ★ Registry application - an application is available for download
- ★ Training Search - to search for training in a variety of ways – location, date, topic or core knowledge area
- ★ Program Profile - review and update center information including a list of employees and center details
- ★ Barcodes – become a sponsoring agency and offer free barcodes for your trainings
- ★ Insurance –Woller-Anger & Company, LLC, are making available two insurance program options that will permit all of our current members to participate in a range of health insurance, dental, vision and other benefit programs.

Leadership Credential – The Registry has added a new Leadership Credential in addition to the Infant/Toddler, Preschool, Inclusion and Administrator credentials it currently offers. The Leadership Credential is composed of four courses in which the overarching themes include the importance of excellence and diversity in early childhood programs, and the role of vision and reflective practice in reaching these goals.

Registry Ambassadors – There was great interest in our new Ambassador program that held its initial overview session last fall. Ambassadors will undergo further training in 2011 to provide information and support as a Registry presence throughout the state at various professional events.

Facebook - The Registry now has a page on Facebook and we invite you to become a part of our discussions, write comments or recognize a staff member’s accomplishments and share photos. Join us at www.facebook.com and find us by entering ‘The Registry’ in the search box and becoming a fan.
